विषय: दो दिवसीय कार्यशाला के सम्बन्ध में।

पत्रांक: 5026/3811 / FI / 2022-23 लखनऊ,

दिनांक: 25 नवम्बर, 2022

महोदय,

अवगत कराना है कि दिनांक 26 व 27 नवम्बर, 2022 को R-SETI Bank of India गौरा, मोहनलालगंज, रायबरेली रोड, लखनऊ में "Operational orientation & functional training of WADA/DBT Samuh Sakhis" नामक दो दिवसीय कार्यशाला का प्रातः 10:00 बजे से आयोजन किया गया है।

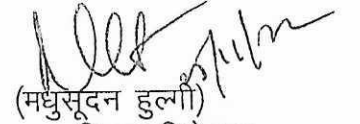

उक्त कार्यशाला में आपके जनपद के विकासखण्ड इकोना से 05 WADA DBT Sakhis, 05 BC Sakhis, 02-03 ग्राम रोजगार सेवक, एक ब्लॉक मिशन प्रबन्धक एवं एक अतिरिक्त कार्यक्रम अधिकारी (मनरेगा) द्वारा प्रतिभाग किया जाना है।

उपरोक्त के सम्बन्ध अवगत कराना है कि प्रशिक्षण पर होने वाले व्यय का भुगतान R-SETI लखनऊ द्वारा किया जायेगा जिसका बिल उ०प्र० राज्य ग्रामीण आजीविका मिशन को पृथक से प्रेषित किया जायेगा तथा आपके जनपद से आने वाले उक्त प्रतिभागियों पर होने वाले व्यय का भुगतान हेतु Financial Inclusion-Capacity Building के मद B.2.3.2 द्वारा किया जायेगा।

अतः उपरोक्तानुसार अवगत होते हुए प्रतिभागियों को ससमय उक्त प्रशिक्षण में प्रतिभाग कराना सुनिश्चित करें।

संलग्नक: यथोपरि।

भवदीया,

(मधुसूदन हुल्ला)

अपर मिशन निदेशक

**Operational orientation & functional training of WADA/ DBT Samuh Sakhis**  
UNICEF-aided sub-pilot area: Shravasti// 5 GPs of Ikauna block

---

## **Background**

1. Multi-sectoral services/ DBT payouts may be channeled through BC Sakhis to assume an effective penetration amongst the poorest segment of rural demography is a vision that Honorable Prime Minister of India mooted on December 21, 2021. Considering a robust technology platform as a tool for realization of the vision, Department of Rural Development (DoRD) and UNICEF entered into an MoU in February 2022. Incorrect database on SHGs not only delayed the process, indeed brought down the scope to a skewed 5,300 (74%) odd GPs. The two key component \_ (a) an orientation to SHG members about DBT/ multi-sectoral services & benefits thereof, and (b) a sample full-cycle of realizing DBT payouts \_ are on a rapid process of rollout, which sets the pretext for the 2-day event being proposed.

## **Objective of the 2-day session**

2. The session is aiming at two distinct objectives. The objectives may be illustrated as the following –

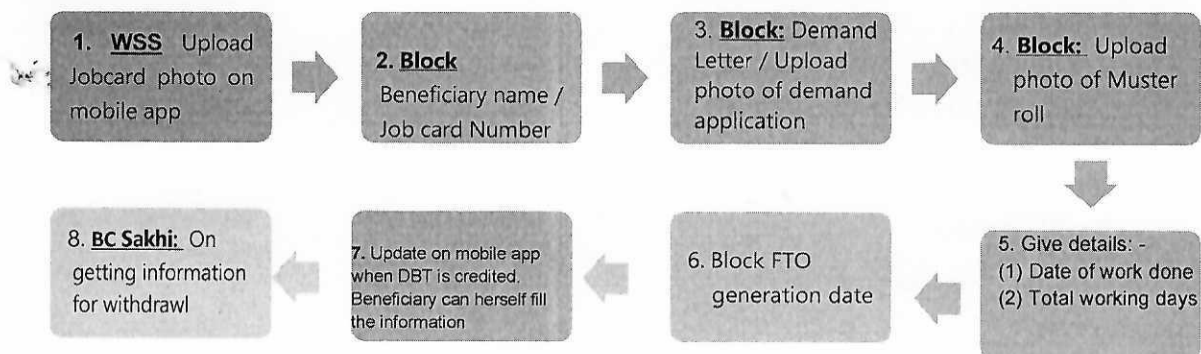

**First**, WADA/ DBT Samuh Sakhis shall be oriented to operational methods of raising SHG-members' e-applications for multi-sectoral services/ DBT payout. For this training session, the schematic services being considered is MGNREGA. Expectedly, for 50 SHGs in 5 GPs of Shravasti, a database for 600-650 families of the SHG members would need to be created by the 5 WSS. The WSS being new to ICT-based work-methods, 5 BC Sakhis from the same GPs would be brought in for assistance. The WSS~BC duo would **be trained** in technological methods; in each of their smartphones, how the database for DBT beneficiaries could be created. Live demonstration for technological work process; interface between the mobile and web-console under the BDO, shall be demonstrated. A timeline for populating the database would be agreed at the conclusion of the session.

**Second**, the participants would be oriented to operational flow from WSS to BDO/ departmental nodal for first-layer of approval and other required compliance. For Shravasti sub-pilot, representatives of allied entities such as MGNREGA & UPSRLM

**A note on**  
**Operational orientation & functional training of WADA/ DBT Samuh Sakhis**

UNICEF-aided sub-pilot area: Shravasti// 5 GPs of Ikauna block

and Paytm as the BC Sakhi anchor, would be engaged to learn the work-process. An illustrative diagram on flow of the process has been indicated below.

- The participants from various entities would witness such ICT-based workflow live in course of the training session for clearer understanding.

## Participants

- The 10 WSS and BC Sakhis, as practitioners are the primary participants of the session. While the WSS are equipped with DoRD's RISHTA mobile app, the BCs too use the same app and aided with a common technology platform to support it for range of distinct operations.
- As secondary participants, Gram Rozgar Sewak(s) of the GPs under ref. and schematic functionaries at the block level (BMM and APO) would participate in the session. For realization of MGNREGA benefits, the APO is expected to assume central responsibility. A senior SPM/ PM from UPSRLM may participate at the session to learn the technical and technological dimensions for replication of the ICT-based DBT payout sub-pilot in other pilot areas.

## Expected results

- Key output of the learnings should be visible in the following results –
  - 100% SHG members' profiles being updated/ reported in [www.upsrlm.org](http://www.upsrlm.org) portal;
  - At least 50-75% SHG members' DBT appraisals reported on portal;
  - APO block Ikauna and allied functionaries in 5 specified GPs conduct web-based work-process to facilitate provision of work against demands of SHG members and conclude the ICT-driven process with payment of wages.

**Operational orientation & functional training of WADA/ DBT Samuh Sakhis**  
UNICEF-aided sub-pilot area: Shravasti// 5 GPs of Ikauna block

**No. of participants**

▪ WADA DBT Sakhis:	5
▪ BC Sakhis:	5
▪ Gram Rozgar Sewaks:	2-3
▪ BMM & APO:	2
▪ Representatives of Paytm:	1
▪ Representative of UPSRLM HQ:	1
▪ Representative of UNICEF:	1 (Tentative)
▪ Representative of DBT call centre:	4
▪ Consultant of DoRD:	1

**Venue: RSETI, Lucknow**

**Arrangement –**

- Travel of participants: DC, NRLM, Shravasti
- Expenses towards RSETI: UPSRLM HQ
